ELIGIBILITY OF CONTRACTORS

- 1) Contractors / Firms / Registered Unemployed Engineers' Co-operative Societies / Registered Unemployed Labour Co-operative Societies and bonafied outsider contractors with sound financial status and having experience in timely completion of similar nature of work as mentioned above and also who have satisfactorily completed at least one similar type of work and having a magnitude of not less than 40% of the value of work for which applications are invited or they / he / she should be satisfactorily executing currently at least one similar nature of work and having completed billing not less than 40% of the value of work for which tender is invited .
- 2) The credential should be in the name & style of the intending Tenderer only, and not in the name and / or style of any of the Partner(s).
- 3) The applicants must have own/hired all machineries related to the construction of road work. List and proof of machineries owned / hired by the Agency to be up loaded with Technical bid.
- 4) Duly self attested photocopies of Authentic documents of experience, resource and financial solvency in the shape of payment certificates supported with relevant Work Orders and / or completion issued by authority not below rank of Executive Officer, Panchayat Samity of works already executed during last 3 (Three) years and details of technical personnel under his / her / their incumbency etc are to be manually to be produced as and when asked for. Tender without documentary evidence of having in possession of machinery and equipment may not be entertained. Relevant certificate from any Nationalized Bank in proof of financial solvency need also be submitted along with the tender with Technical Bid.

6. A. Verification of original documents of participated bidders.

The Tender Inviting Authority may verify the original documents of participated bidders on any day after opening of technical bid. Original document of own possession / taken on lease / notarial Certificate agreement of the aforesaid machineries is to be furnished if required by the Tender Inviting Authority.

6. B. Penalty for suppression / distortion of facts

Submission of false/fabricated/manufactured/incorrect documents or suppression of any Running or incomplete works (including the work which is not declared as Completed, including works under PMGSY or any work in any other Department Under the govt. of India/govt. of West Bengal/govt. undertaking organizations, also work order Issued to the respective Bidder but work not started) or suppression or distortion of facts by the intending tenderers is strictly prohibited, yet, if it is found/proved prior to issue of letter of acceptance; his/her/their bid will summarily be rejected and the case may be referred to the appropriate authority for prosecution as per relevant IT & I.P.C. Act with forfeiture of earnest money forthwith to the WBSRDA and penal action will be taken by the Department as it deem fit and may be debarred from participation in any tender within the jurisdiction of WBSRDA for a minimum period of 1 (one) year or more as it deem fit by the tender Inviting authority or competent Authority or WBSRDA.

- 5) The intending Tenderers should furnish a list of works executed by them / him / her of similar nature and magnitude as mentioned above with necessary certificate from the concerned Executive Engineer or an Engineer of same rank or above of any Government / Government undertaking regarding satisfactory performance of such works are to be manually to be produced at the time of opening of Tender. In absence of the above details tender may not be accepted.

- 6) Bidders who meet the minimum qualification criteria will be qualified only if their available bid capacity for construction work is equal to or more than the total bid value. The available bid capacity will be calculated as under:

$$\text{Assessed Available Bid capacity} = (A * N * M - B)$$

Where

A = Maximum value of civil engineering works executed in any one year during the last Five years (updated to the price level of the last year at the rate of 8 percent simple interest a year) taking into account the completed as well as works in progress.

N = Number of years prescribed for completion of the works for which bids are invited (period up to 6 months to be taken as ½ and more than 6 months as 1 in a year).

M = 3.0

B = Value, at the current price level, of existing commitments and on-going works to be completed during the period of completion of the works for which bids are invited.

Note: The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Engineer in charge, not below the rank of an Executive Engineer or equivalent.

- 7) Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:
- made misleading or false representations in the forms, statements, affidavits and attachments submitted in proof of the qualification requirements; and/or
 - record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc; and / or
 - participated in the previous bidding for the same work and had quoted unreasonably high or low bid prices and could not furnish rational justification for it to the Employer.

Executive Engineer-in-Charge
WBSRDA, Nadia Division

TERMS & CONDITION

- Tender received later than specified date and time will not be considered. Tenders thus received will be opened as per schedule in presence of tenderers who are intended to remain present. Such tenderers will please put their signature in the tender opening documents as a token of witness during the opening process.
- No application for the tender shall in any case be received after schedule date and time. Tenderers are requested to fill in the tender documents correctly and completely, falling which the same will be liable for rejection according to the discretion of the Authority.
- Tender submitted without Earnest Money/Bank Draft etc. will be treated as informal. No application for transfer of Earnest Money from one tender to another will be entertained.
- WBSRDA, Nadia Division reserves the right not to accept the lowest offer and reject any tender without assigning any reason thereof. All particulars of work may be had in the Office of the undersigned up to 4.00 P.M. on all working days.
- Earnest Money for each and every category to be deposited compulsorily by all intending tenderers.
- All duties, taxes, royalties, Cess, [including 1% Cess under W.B. Building and other Construction Workers (Regulation of Employments & Condition of Service) Act, 1996], toll, taxes and other levies payable by the Contractor under the Contract to the State / Central Government for any other cause, shall be included in the rates, prices and total Bid price submitted by the bidder 1% Cess under W.B. Building and other Construction Workers (Regulation of Employments & Condition of Service) Welfare Cess Act, 1996 will be deducted from the running bills.
- Additional Performance Security @ 10% of the tendered amount shall be obtained from the successful bidder in the form of Bank Guarantee if the accepted bid value is 80% or less of the Estimate put to tender. The Bank Guarantee shall be returned immediately on successful completion of the contract i.e. 1 (One) years from the Date of completion of the work. If the bidder fails to complete the work successfully, the Additional Performance Security shall be forfeited at any time during the pendency of the contract period after serving proper notice to the contractor. Necessary provisions regarding deduction of security deposit from the progressive bills of the contractor as per relevant clause of the contract shall in no way be altered/affected by provision of this Additional Performance Security. All other terms will be followed as per Memorandum of Finance Department, Govt. of West Bengal vide No. 4608-F(Y) Date 18th July, 2018.
- The Earnest Money (2% of amount put to tender) will be released to bidder / contractor subject to submission of Performance Security (P. S.) (2.5 % of Tendered Amount) acceptable to the Employer in the form of an unconditional Bank Guarantee or Fixed Deposit Receipt in favour of from Executive Engineer of the division (PIU HEAD, functioning as DDO) from a scheduled Commercial bank. The remaining 7.5% S.D. Money will be deducted from running account (R.A.) bills, so that the total amount of S.D/P.S. will become 10% (Ten Percent) of the Contract Price, retained to the Employer for a period of One (1) years from the date of completion of the work. The Performance Security (P.S.) should have validity of covering the Work Order period initially. The

Performance Security should be extended by the bidder in a way so as to cover 1 years from the date of completion. The claim period of the PS if in the form of Bank Guarantee should be 1 years and 45 days from date of completion of the work. The Additional Security for unbalanced bids in accordance with Finance Department memo no: 4608-F(Y) dated 18-07-2018. This additional Security if any must be submitted within 7 (seven) days after receipt of Work Order.

9. Authenticated Copy of Rate Analysis should be submitted by Bidder in case of Unbalanced Bid (accepted rate is 15% or more less, than the estimated amount put to tender).
10. The executing agency (successful bidder) will have to get payment of bill/bills of the respective work on availability of fund.
11. All Road should be covered by appropriate insurance coverage and under any circumstances Government need not to spent further fund up to the end of One year Defect Liability Period.
12. The intending bidders are requested to inspect the work site before quoting their rates.
13. Evidence of access to line(s) of credit and availability of other financial resources/facilities/Bank Solvency (20 percent of the contract value) certified by banker (the certificate being not more than 3 months old) (As per Annexure-II).
14. All the Intending Tenderers are requested to visit the sites of works prior to the submission of Tender at their own effort and interest.
15. In case of any day, meant for this tender, appears to be an unscheduled holiday, the next working day will be treated as scheduled / prescribed day for the same purpose.
16. No materials, Tools & Plants etc. will be issued by WBSRDA, Nadia Division.
17. No preconditioned tender will be accepted.
18. All the rates of works are inclusive of all taxes, cess, levy, octopi, royalties, transportation, loading, unloading, stacking, etc including all other incidental charges therein.
19. The Successful Tenderer, herein after called the Contractor, will have to execute an agreement on a Non Judicial Stamp worth Rs. 100/- only.
20. Both, the Contractor and the employer have agreed that it is not feasible to precisely estimate the amount of losses due to delay in completion of works and the losses to the public and the economy, therefore, both the parties have agreed that the Contractor shall pay liquidated damages to the Employer and not by way of penalty, at the rate 1% (One percent) per week or part thereof of the value of work remaining for the period that the Completion Date is later than the intended completion Date. The total amount of liquidated damages shall not exceed 10% of the contract price. The employer may deduct liquidated damages from payments due to the contractors. Payment of liquidated damages shall not affect the contractor's other liabilities. If the Intended Completion Date is extended after liquidated damages have been paid, the Engineer shall correct any overpayment of liquidated damages by the Contractor by adjusting the next payment certificate.
21. i) Tax invoice(s) need to be issued by the supplier for raising claim under the contract showing separately the Tax charged in accordance with the provision of GST Act' 2017.
ii) The Bidder should submit their Technical Bid and Financial Bid accordingly considering the new Tax system because of introduction of GST Act' 2017, so as to comply with the said GST Act' 2017 as above whatever the estimated rate is there in the BOQ put to tender.
22. Sub-allotment of work maximum upto 25% of work value may be permitted subject to approval of the competent authority.
23. Any bill (running account/final) payment of proposed executed work may be made to Agency as per availability of fund.
24. In case of inadvertent typographical mistake found in the specific price schedule of rates, the same will be treated to be so corrected as to confirm with the prevailing relevant schedule of rates and /or technically sanctioned estimate.
25. During construction works on road, which is open to traffic, suitable barriers with security arrangement are to be kept to segregate they are of work. Red lights are to be provided at such barriers are night during poor visibility. Night Chowkidars are also be maintained. All these aspects will have to be considered and it should be included in the rates quoted by the firm during submission of tender.
26. The registered cooperative should submit the registration certificate, current renewal certificate of their cooperative from competent authority with Technical bid.

27. Escalation claimed by the Agency will not be entertained by Authority.
28. The authority reserves the right to accept or reject any or all the tenders without assigning any reason. And the right to add, alter or delete any of the conditions & terms, laid above, is also reserved.
29. In case if there be any objection/complain regarding Non-Eligibility in Technical Bid Evaluation, only Intending Bidders or authorized persons on behalf of the Bidders may lodge objection/complain along with specific authentic documents in support of their objection/complain as a proof to the Notice Inviting Authority or Chairman, Tender Evaluation Committee within 48 (forty eight) hours from the publication time (uploading time in web portal) of the Technical Bid Evaluation and beyond that time schedule (i.e. after expiry of 48 hours) no objection/complain will be entertained as well as without any specific authentic documents as a proof in support of lodged objection / complain, no objection or complain in this regard will be entertained by the Tender Inviting authority/ Tender Evaluation committee. On the other hand strict penal action may be taken against the respective Bidders for lodging false objection or complain in obligatory attitude/ creating hindrance towards development works of the Govt. The detailed address of the complainant including e-mail /Fax number , Mobile number & telephone number shall invariable have to be provided in their letter (Through which if objection complain has to be lodged).
30. Dispute Redressal System: If any dispute or indifference of any kind whatsoever arises in connection with or arising out of this Contract or the execution of works or maintenance of the works there under whether before its commencement or during the progress of works or after the termination, abandonment or breach of the contract it shall, in the first instance, be referred for settlement to the competent authority, described along with their powers in the contract data above the rank of the Engineer. The competent authority shall within the period of 45days after being requested in writing by the contractor to do so, convey his decision to the contractor. Such decision in respect of every matter so referred, subject to review as herein after provided, be final and binding upon the contractor. In case the work is already in progress, the Contractor shall proceed with the execution of works , including maintenance thereof, pending receipt of the decision of the competent authority as aforesaid, with all due diligence. The competent authority in this case shall comprise of the District Magistrate, Nadia, Addl. Executive Officer, Nadia Zilla Parishad, Executive Engineer, WBSRDA, Nadia Division, Financial Controller and one Assistant Engineer. If required, the Technical Advisor, WBSRDA, P&RD Department may be consulted.
31. Arbitration: In view of the provisions of Clause 33 on Dispute Redressal System, it is the condition of the contract that there will be no arbitration for the settlement of any dispute between the parties.
32. Bids from joint venture are not allowed.
33. Measures for Air and Noise Pollution: All heavy equipments and machinery shall be fitted with Air Pollution Control and Noise dampening devices that are operating correctly stockpiled sands and soil shall be slightly wetted before loading, particularly, in windy condition, vehicles transporting sand and soil shall be covered with a tarpaulin. Stockpiled sand should be sprinkled regularly with water and dust suppression measures be taken to contain air pollution. All heavy equipments shall strictly follow the noise regulation.
34. Occupational safety and health hazards at work and camp sites:
 - i) All personnel at work site shall be provided with protective gears like, Helmet, Boots etc, so that injuries to personnel are avoided or minimized.
 - ii) Children (less than 18 yrs.) and pregnant women shall not be allowed to work under any circumstances.
 - iii) Dust suppression measures like sprinkling of water shall be ensure at all operations areas.
 - iv) The construction camps shall have health care facilities for the all workers.
35. Clean up of construction work sites: All operational areas under road construction works like work sites, office/storage area, work force camps, and borrow areas, shall be cleaned up and restored to its previous state soon after operations are complete.
36. Termination
 - 39.1 The Employer may terminate the Contract if the Contractor causes a fundamental breach of the Contract.
 - 39.2 Fundamental breaches of the Contract shall include, but shall not be limited to, the following:
 - (a) The Contractor stops work for 28 days when no stoppage of work is shown on the current Programme and the stoppage has not been authorized by the Engineer;
 - (b) The Contractor is declared as bankrupt or goes into liquidation other than for approved reconstruction or amalgamation;

KOLKATA-700106

- (c) The Engineer gives Notice that failure to correct a particular Defect whether pertaining to construction work or pertaining to defects liability period is a fundamental breach of the contract and the Contractor fails to correct it within a reasonable period of time determined by the Engineer;
- (d) The Contractor does not maintain a Security, which is required;
- (e) The Contractor has delayed the completion of the Works by the number of days for which the maximum amount of liquidated damages can be paid;
- (f) If the Contractor, in the judgment of the Employer, has engaged in the corrupt, fraudulent or coercive practice in competing for or in executing the Contract. For the purpose of this clause, "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in Contract execution. "Fraudulent Practice" means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of other and/or to influence the procurement process to the detriment of the Government interests. And, the includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid process at artificial non-competition levels and to deprive the Employer of the benefits of free and open competition. "Coercive practice" means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential of actual injury may befall upon a person, his/ her reputation or property to influence their participation in the tendering process.
- (g) If the Contractor has not completed at least three-eighth of the value of construction Work required to be completed after half of the completion period has elapsed;
- (h) If the Contractor fails to set up a field laboratory with the prescribed equipment, within the period specified in the Contract Data;
- (i) If the Contractor fails to deploy machinery and equipment or personnel as specified in the Contract Data at the appropriate time; and
- (j) If the Contractor fails to pay EPF/ ESI contribution as required under prevailing laws;
- (k) If the Contractor engages child labour in violation of prevailing laws;
- (l) If the Contractor fails to ensure that there is no gender bias in engagement of labour and other employees and in payment of wages and he discriminate against female workers.
- (m) Any other fundamental breaches as specified in the Contract Data.

39.3 Notwithstanding the above, the Employer may terminate the Contract for convenience.

39.4 If the Contract is terminated, the Contractor shall stop work immediately, make the Site safe and secure, and leave the Site as soon as reasonably possible.

37. Payment upon Termination

40.1 If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Engineer shall issue a certificate for the value of the work done, less liquidated damages, less advance payments received up to the date of the issue of the certificate and less the percentage to apply to the value of the work not completed, as indicated in the Contract Data. If the total amount due to the Employer exceeds any payment due to the Contractor, the difference shall be recovered from the Security Deposit, and Performance Security. If any amount is still left un-recovered it will be a debt payable to the Employer from State PMGSY works, any other State Government works including State Public Sector works executed by the Contractor.
